ABSTRACT

This report includes statistics reported to the Missouri State Library by the various public, academic, special, and institutional libraries in Missouri. All data included in the report was supplied by the responding libraries, and the statistics were not edited or altered. The report is arranged alphabetically by type of library. Each type of library has data on income, expenditures and personnel, collections, and circulation. Expenditures and personnel data includes personnel expenditures, collection expenditures, electronic access expenditures, total expenditures, and number of paid staff. Library collections are divided by type of material--books, serials, audio, video, electronic format materials, and microform and other materials. Library circulation includes total circulation and interlibrary loans received and provided. Library circulation data for public libraries also include: children's circulation, total circulation, annual library visits, registered borrowers, annual reference transactions, and children's program attendance. Foreword

This report includes statistics reported to the State Library by the various public, academic, special and institutional libraries of Missouri. The only data included is that supplied by the responding libraries, and the statistics have not been edited or altered. The statistical report is arranged alphabetically by type of library.

Please Note:
— *Blank spaces* indicate that data was not reported in that category by the responding library.
— *Paid staff* are measured as full-time (40 hours per week) equivalent. A "0" indicates less than 40 hours per week staff time.

Your comments on the usefulness of the statistical data are invited. Please send your comments to: Statistical Report Comments/Library Development, Missouri State Library, P.O. Box 387, Jefferson City, MO 65102-0387.
